Doggie News

"All dogs must be on a leash a maximum of 6 feet in length at all times while on La Jolla Colony common area property.

Dog droppings & urine damage - we have received numerous complaints about dog owners who continue to walk their dogs without a leash or taking a poop bag to clean up after them. We also have numerous areas throughout the park, where the turf is damaged from dogs urinating in large amounts, in the same location, time and time again. We are asking your assistance to please curb your dog or use alternate locations, and clean up after them.
